Adopt A Beach Hawaii and Keep America Beautiful will again join together to do the Great Hawaii Clean Up 2009 along with 3 million volunteers Nationwide. Saturday, March 28th and Saturday April 25, 2009 at noon on the North Shore. Headquarters will be Chun's Reef at 61-529 Kam Hwy. on the beach.

We are proud to announce that Hickam Air Force is sending 40 to 50 volunteers and we have a Church family group of approx. 30 joining in with us this weekend plus about 15 to 20 tourists and local volunteers.

Last month Feb. 28th saw the record broken in 8 years of volunteers; 70 people worked- collected and recorded on the North Shore: 1,900 cigarette butts, 208 plastic bags and 186 bottle caps- just 3 items of the 30 debris items we count and track monthly for 8 years! We are so proud of our volunteers. ALOHA and MAHALO!
